

JOHANNES.

Dear guest,

Welcome to your wine experience at Restaurant Johannes! We are proud to present a balanced offering of wines from a wide variety of wine-growing regions. You will find cuvées by celebrated winemakers, as well as the unique approaches to viticulture by smaller producers.

Whether you are looking for something specific, an old favourite or a new discovery, we'll be happy to tailor to your needs and find something exceptional to elevate your dining experience.

We offer a wide selection of wines by glass and by bottle and are always on the look out for fantastic new wines to improve our offering.

Finally we offer a flight of pairing wines with the dishes of your surprise menu, which constitutes the perfect marriage between food and wine.

We look forward to sharing an unforgettable wine story with you tonight. Proost!

Team Johannes
